**THE FEI CODE OF CONDUCT**

**FOR THE WELFARE OF THE HORSE**

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and Athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. **The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.**

A full copy of this Code can be obtained from the Fédération Equestre Internationale, HM King Hussein I Building, Chemin de la Joliette 8, 1006 Lausanne, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English & French. The Code is also available on the FEI's website: [www.fei.org](http://www.fei.org).

## **RULES FOR THE 2015 LONGINES GLOBAL CHAMPIONS TOUR**

### **Overall classification**

Athletes may take part in all GCT events.

For purposes of determining the 2015 GCT overall rankings, the rankings will take into account each rider's points from no more than 50% (rounded up to the next whole number) of the total number of GCT competitions held during the season. In the event that a rider earns points at more than 50% of the total number of GCT Grand Prix during the season, the Grand Prix(s) at which the rider earned the fewest number of points will be disregarded for purposes of establishing the 2015 GCT rankings.

Events on borrowed horses may not count for points. In case of a tie on points for any position at the end of the season the Athlete with the greatest number of first place finishes will be classified before any other Athletes tied for the same number of points. If there is still a tie the Athlete with the greatest number of second place finishes will be classified before the other Athletes and so on until all Athletes with the same number of points have been separated.

## **LONGINES GLOBAL CHAMPIONS TOUR OF DOHA (QAT)**

### **CSI 5\* 12 - 14 NOVEMBER 2015**

A prize money for overall classification will be offered to the top eighteen competitors in the GCT overall classification (tour series) as follows:

- 1<sup>st</sup> place 31%
- 2<sup>nd</sup> place 20%
- 3<sup>rd</sup> place 13%
- 4<sup>th</sup> place 8%
- 5<sup>th</sup> place 5%
- 6<sup>th</sup> & 7<sup>th</sup> places 3,5% each
- 8<sup>th</sup> to 11<sup>th</sup> places 2% each
- 12<sup>th</sup> to 14<sup>th</sup> places 1,5% each
- 15<sup>th</sup> & 16<sup>th</sup> places 1% each
- 17<sup>th</sup> & 18<sup>th</sup> places 0,75% each

Prizes won by competitors who are tied are added and divided equally.

The amount of the prize money for the overall classification in 2015 is EUR 950'000.

The top three Athletes in the GCT overall classification after the last competition must be present at the last event of the GCT to receive their prize in person and must be available for the press conference following the last competition in the GCT for the season in question. Athletes must be dressed in competition attire.

No prize money will be given to an Athlete who does not present himself at the prize giving ceremony for any of the GCT competitions if required to do so. This does not apply for the overall classification except for the top three Athletes.

### **Invitation system for each event**

**Participation at any GCT event is limited to maximum 68 Athletes.**

#### **Group 1**

**Group 1** consists of 60% of the number of Athletes participating taken in descending order of the Longines Rankings two months prior to the event. In case of Athletes declining participation replacements will be selected from the Longines Rankings in descending order. Athletes in this group cannot be lower on the Longines Rankings than 150th place. Substitutions will be taken in descending order until 15 days prior to the start of the Event (this applies also to the FEI wild card); for the events organized outside European countries, due to the requirements for horse flights and health documents, the deadline will be 45 days before the event. After this date the place(s) will be allocated by the OC (Group 3).

#### **Group 2**

**Group 2** consists of 10% of the number of Athletes participating and is made up of 8 % home Athletes selected by the NF. Also included in this group is 2 % - FEI Wild Card(s). The 8 % home Athletes are selected by the home National Federation and the FEI Wild Card(s) by the FEI. Should the NF and/or FEI not be

**LONGINES GLOBAL CHAMPIONS TOUR OF DOHA (QAT)**  
**CSI 5\* 12 - 14 NOVEMBER 2015**

able to meet its quota of Athletes in this group, the quota will be filled by the OC increasing the number of Athletes in Group 3.

**Group 3**

**Group 3** consists of 30% of the number of Athletes participating and are selected by the OC. It is not obligatory that these participants be chosen from the Longines Rankings.

The FEI will apply a certain amount of flexibility in relation to enforcing the rule obliging OCs to have at least 10 NFs represented.

The number of Athletes participating under Groups 1, 2 and 3 may not exceed 68 in total.

**Entries**

In accordance with the current FEI rules on entries, no competitor may enter more than one event on the same weekend without the agreement of both OCs. The penalty for contravening this rule is disqualification from the event. This does not apply to Athletes on the definite entry list who have been selected to replace another Athlete at a CSIO on the same week end (Jumping rules Art. 251.14). OCs of GCT events will permit Athletes who withdraw following the deadline date for the definite entries from a GCT event to participate at a CSI4\* or lower event on the same dates but will not allow participation of such Athletes in another CSI 5\* on the same dates.

**Eligibility for each GCT Grand Prix**

Participation in each GCT Grand Prix is open to maximum 50 (fifty) Athletes. Should the number of Athletes participating at any GCT event exceed 50, the following qualification system will be used to determine those that may take part in the GCT Grand Prix:

- The best 50 Athletes qualify through one or more competitions at the event prior to the day of the GCT Grand Prix. The competition(s) to count for qualification purposes will be specified in the schedule.

To be eligible to start in the GCT Grand Prix the competitor must complete at least one competition in the GCT Event with the horse he/she will ride in the GCT Grand Prix (in case of mixed competitions (one round and jump-off or two rounds) we consider the first round; in case of a 2 phase competition we consider the 1st phase; this applies also in case Art. 274.5.6 is used for two phase competitions.). If the GCT Grand Prix is held on the second day of the event and for whatever reason a competitor has not been able to complete a competition on the first day of the event with the horse to be ridden in the GCT Grand Prix, the competitor in question may take part with the horse to be ridden in the GCT Grand Prix in a competition on the same day as the GCT Grand Prix if he/she wishes to take part in the GCT Grand Prix. This exception is only applicable if the GCT Grand Prix is held on the second day of the event. This only applies if the number of Athletes taking part at the GCT event is 50 or less and a qualification system is not necessary to select the number of Athletes for the GCT Grand Prix if the number of Athletes permitted to take part in the GCT Grand Prix is less than 50.

**LONGINES GLOBAL CHAMPIONS TOUR OF DOHA (QAT)**  
**CSI 5\* 12 - 14 NOVEMBER 2015**

**Designated class for GCT ranking**

The class that counts for points in the Longines GCT ranking is the Grand Prix, which takes place either on the Saturday or Sunday of the events.

The Grand Prix is a jumping competition over two different rounds against the clock with one jump off against the clock in case of a tie on penalties for the first place (Art. 273.3.4.1):

- A maximum of 18 (eighteen) participants return for the second round based on penalties and time in the first round. In any case, all participants with zero penalties in the first round return for the second round. The participants that tie for the 18th place (penalties and time) are allowed to participate in the second round;
- Participants are classified according to their penalties in both rounds and if necessary according to their penalties and time in the jump-off.
- The participants of the second round not taking part in the jump-off are classified according to their penalties in both rounds and time in the second round;
- The participants of the first round not taking part in the second round are classified according to their penalties and time in the first round.

**Starting order**

The starting order will be established according to a draw. Participants are divided into two groups based on their position on the Longines Rankings at the time of the first competition day of the event. The competitors in the group with the higher ranked participants start last in the first round.

The order of starting in the second round is according to the reverse order of penalties and time in the first round.

The order of starting in the jump-off is according to the same order as in the second round.

**Point system**

Only competitors participating in the second round will obtain points in each competition of the GCT.

The following point-system will be used for each Longines GCT Grand Prix:

Place – points;	place – points;	place – points
1 40;	11 26;	21 10;
2 37;	12 25;	22 9;

**LONGINES GLOBAL CHAMPIONS TOUR OF DOHA (QAT)  
CSI 5\* 12 - 14 NOVEMBER 2015**

- If an athlete is uncertain as to whether the boots he/she intends to use during an event are allowed, he/she or his/her representative should show the boots to the Chief Steward for his/her opinion before the boots are used in training or in competition.
- In addition, athletes are to be made aware that hind boots must be removed and placed again on the horse's legs in the presence of a Steward while in the warm-up arena prior to entering the competition arena for certain competitions. (If bandages are used in place of boots, athletes are not required to remove the bandages in the warm-up arena.) This procedure is compulsory for competitions for which boot and bandage control is mandatory, that is the Nations Cup, Grand Prix, and the competition with the highest prize money, and is at the discretion of the Chief Steward for other competitions.
- As an alternative to carrying out this procedure at the time designated by the Steward an athlete may ask his/her groom to take the boots to the in-gate and place them on the horse's legs in front of the Steward prior to the combination entering the arena.
- The Steward has the authority to intervene if a boot is deemed excessively tight by instructing that the boot be removed and put on again correctly. *[Stewards are to note that it is normal for a horse's gait to be somewhat affected immediately after boots have been removed and re-placed.]* If an athlete or his/her groom refuses to remove and replace the boot(s) when instructed to do so by the Steward, a Yellow Warning Card will be issued to the athlete in question.
- If it is deemed impossible or unsafe to remove the hind boots in the warm-up arena prior to the combination entering the competition arena, due to an extremely excited or nervous horse, the boots of the horse in question are to be removed by the athlete/groom following the athlete's round upon leaving the arena and inspected by the Steward. This inspection may be carried out during the boot and bandage control if the boot and bandage control is carried out for the competition in question.
- This procedure does not replace boot and bandage control after completion of an athlete's round for competitions for which boot and bandage control is mandatory (refer to JRs Art. 244.1).

Competition counting for the Longines Global Champions Tour Ranking

Competition counting for the Longines Rankings Group AA

Maximum 50 riders are allowed to start in this competition. If more than 50 athletes participate at the CSI5\*, the Athletes qualify according to the following system:

**Competition n.1:** 1st place: 70 points; 2nd place: 68 points; 3rd place: 67 points; etc.

In case there are Athletes ex aequo on the 50th place, the better placing of comp. 2 will count. In case of negation of a qualified Athlete the next placed Athlete is allowed to participate.

The points obtained in both classes are added. The best athletes after addition of the points obtained in one or both competition qualify for the Grand Prix (in total maximum 50 athletes) with a horse of their choice (which finished one class during the show).

To be eligible to start in the LONGINES LGCT Grand Prix the competitor must complete in the event one competition with the horse he/she will ride in the LONGINES LGCT Grand Prix. In case of mixed competitions : one round and jump-off or two rounds we consider the first round ; in case of a 2 phase competition we consider the 1<sup>st</sup> phase ; this applies also in case Art. 274.5.6 is used for two phase competitions.

- A maximum of 18 (eighteen) participants return for the second round based on penalties and time in the first round. In any case, all participants with zero penalties in the first round return for the second round. The participants that tie for the 18<sup>th</sup> place (penalties and time) are allowed to participate in the second round ;
- Participants are classified according to their penalties in both rounds and if necessary according to their penalties and time in the jump-off.
- The participants of the second round not taking part in the jump-off are classified according to their penalties in both rounds and time in the second round ;
- The participants of the first round not taking part in the second round are classified according to their penalties and time in the first round.

Starting order :

The starting order will be established according to a draw. Participants are divided into two groups based on their position on the Longines Rankings at the time of the event (we consider the 1<sup>st</sup> competition day of the event). The competitors in the group with the higher ranked participants start last in the first round.

The order of starting in the second round is according to the reverse order of penalties and time in the first round.

The order of starting in the jump-off is according to the same order as in the second round.

Competition over two different rounds against the clock with one jump-off against the clock in case of a tie on penalties for the first place Table A. Art. 273.3.4.1/273.2.2/273.4.5

**IMPORTANT**

\*: Maximum Number of starters per competition: 100.

If more than 100 starters are declared, the OC must split the class and provide the equivalent amount of prize money for the additional Competition. OCs may apply either of the following methods for splitting the Competition:

*The competition is split into two groups before it starts. There may be a different number of starters in each group. There may be athletes with multiple horses in each group but all horses of any one athlete must be in the same group.*

OR

*The competition is run as one single competition and split afterward into two groups and the classification established as follows: the athlete with the best score is the winner of the first group, the athlete with the second best score is the winner of the second group and so on until prizes have been allocated to 25% of the total number of starters. NB: In this case separate results must be sent to the FEI for each of the two groups, e.g. results for Competition 1a and for Competition 1b.*

*In both cases above each group must offer the same amount of prize money as indicated for the original Competition. For the avoidance of doubt, it is the number of declared starters in the Competition, not the actual number of starters, that determines whether the Competition must be split.*

**Prize Money Distribution:**

Please specify under each Competition which of the two charts you will be using for the distribution of the Prize Money (Chart 1 or Chart 2, see next page).
